IELTS & PTE Training by native speaker

In today's era, Multilingualism has become more than just 'important'. Whether viewed from the financial or social aspect, being able to communicate in a Foreign Language helps to make 'real' connection with people. It provides a better understanding of languages. Learning a Foreign Language helps you to bridge the gap between cultures. The professional scope of any Foreign Language skill is virtually endless. There are limitless job opportunities for an individual who is well-versed in Foreign Languages, in our country and abroad.

IML Academy is the most trusted solution for all language learning aspirants. IML Academy is one of the most experienced and premier Academy in the field of Language Teaching, Motivational Training, Personality Development, Customized Programs and Innovation. IML Academy embarks a new venture in the world of 9 Languages. This is the first time in the history of Kerala. We don't focus not only Foreign Language Training but also introduce them to the culture and history of the languages. We are and intend to remain the name of authenticity, faith and dependence with our exceptional quality. The great repute and excellence that outshine the rest of our industry.

Biju Ambazhakkadan
Dean of IML Academy

IML Academy aspires to assist every person to be successful in their life. Our Job Seekers should be able to demand to the company all over the world. How could we? Nowadays Multi-Linguistic skills are required for most of the career. So multinational companies are seeking for employees with Multi-Linguistic skills. India is one of the Business potential country in the world. Because of this aim every multinational companies started to work in INDIA.

IML Academy Faculty had attained mastery over their language, by spending time in to the native countries. This will help to the job seekers, to understand the culture, life style and language accent of the country. We recommend that all students and Job seekers have to learn English and one of the Foreign Language. It will make our better Career, Family wealth and enhanced Nation INDIA. This is IML Vision.

Our Mission

In the time of Globalisation, IML Academy has taken up the maiden journey to transform the learning experiences with European style. More than 5000 MNCs (Multi National Companies) are starting their business in India. They are looking forward to individuals with versatility of Indian culture and speak Global Languages. @ IML, we aim to create new age professionals who are skilled with Foreign Languages and posses great personalities. Through our creative language training as a European style, we help the students as well as the job seekers to meet the ever-increasing demand for Multi-Lingual Skills.
